

CAMP INFORMATION

*FOR YOUTH PASTORS, PARENTS,
& STUDENTS*

TO OUR PARENTS AND YOUTH PASTORS,

Thank you for entrusting our team with the care and spiritual development of your students! This is an honor and responsibility that God has called us to carry for the last 30 years that we have been hosting Youth America Summer Camps, and we do not take it lightly.

Our calling is to equip the next generation and build the local church. In your students' time with us, our goal is to provide an atmosphere in which students can experience God and be changed forever. We accomplish this through powerful worship times and Biblical teaching, both in our general sessions and in small group times.

We format our camp so that Youth Pastors and leaders can be a part of this experience *with* their students, and we believe can also have a life-changing encounter with God, especially in our daily leaders sessions.

And of course, there will be a lot of FUN! Your students will create life-long memories and friendships through the activities that we offer.

In this packet, you will find more in-depth information about Youth America Summer Camp to prepare you and your students for a week of camp. If you have any questions or concerns, don't hesitate to reach out to your Youth Pastor, or contact us directly.

We will see you soon!

***Pastors Grant and Monica Pankratz, Youth America Lead Pastors
and the Youth America Staff Team***

WHAT IS YOUTH AMERICA?

We are a ministry of our local church, Church of the Harvest, which was launched in 1987 by our founding and Senior Pastor, Kirk Pankratz. Each year since 1987, we have hosted youth summer camps, which are run by our church's lead pastors, staff, and volunteers, who are all background checked and passionate about reaching the next generation. Our campground is located behind our church in Oklahoma City, Oklahoma (see contact info at the end of this packet).

We also host an annual Youth America Leadership Conference and have a leadership college, Youth America College. Our heart is to equip the next generation and to build the local church!

To find out more, please visit us on line at www.youthamerica.org. You can learn more about our church at www.harvestok.com.

If you find that you will be late, please contact us (see contact info at the end of this document).

- Small group time should be facilitated by 1-2 youth leader(s) using a small group guide provided each evening in your dorm. The small group guide will take what was discussed in that evening's service and lead the students to apply the word to their lives.
- Every small group must have an adult leader that is designated by the Youth Pastor. Groups should be between 9-18 people (including leaders). Groups should be gender based.
- Every evening after Night Life ends the whole dorm will come together for small group directions and groups will be released for small group time.
- The small group time will take place in designated open spots across the lower campus.

Youth Pastors NOTE: Group leaders need to know who is in their group prior to camp. They must be ready to lead and facilitate their group so there is no confusion at breakout time.

IMPORTANT NOTES FOR PARENTS

If you have any questions or concerns prior to camp, please call the Youth Pastor/Leader of your church and they can ensure that all questions you may have are answered.

Contacting your student at camp

- It is vital that you get your youth pastors/leaders cell phone number before camp in the case that you need to contact your student while they are at camp (*we discourage cell phones at camp, but ultimately leave it up to the Youth Pastor of each group to decide if they are allowed or not*).
- This will be the most efficient and quickest way to reach your student in case of emergency. If you call the Youth America line, we will be following the same process: look up your Youth Pastor's phone number and call them. For this reason, we ask that you please reserve the Youth America line for emergencies where you cannot reach your church leaders directly.
- Your student will be very busy while at camp, so please refrain from frequently contacting your student if possible. This is an important time for your student to break away and refocus, so reserve contact for emergencies if possible. Your student will be able to freely contact you via a youth pastor or leader's phone if they have the need to do so.
